

Sponsorship Opportunities
8th International Conference on Precision Agriculture
And Other Precision Resources Management
July 23 – 26, 2006
Minneapolis, MN

General Information: Conference sponsorship opportunities are structured so that companies can significantly increase their visibility to conference attendees. This conference is a one-of-a-kind event and a sponsorship is an excellent way to position your firm with those who use technology in agriculture. The 8th Precision Ag Conference will attract roughly 500 attendees from all over the U.S. and over 35 other countries. Your contributions will help cover speaker expenses, publication of the proceedings on CD-ROM, some conference organizing costs, food functions, banquet entertainment and other conference expenses. If multiple sponsors apply for one of the exclusive sponsorship opportunities, a sponsor will be selected on a first come, first served basis.

If you have any further questions or need additional information, please contact Dave Mulla at 612-625-6721 or mulla003@umn.edu
